## MEMBERSHIP DONE FAIR

The adjustments to our golf membership structure have been met with overwhelmingly positive feedback from our members, and we are continuing this streamlined approach into 2026 with minimal changes. Recognizing that a small percentage of members account for the majority of rounds played, we sought to create a fairer system that ensures all members enjoy equitable access and value.

For the upcoming season, we have maintained our offerings; Full Play, Club 60, Club 45, Intermediate, and Social, each providing 7-day-a-week playing privileges with either 14 or 7-day advance booking.

These changes also introduce opportunities for additional play through events like Men's Night, Ladies Night, and Sunday Skins, which do not count toward the category limits. Furthermore, members can enjoy rounds after 5 PM at no additional cost for their spouse or minor children, ensuring continued family involvement.

**NEW for 2026** - Men's Nights and Ladies Nights Memberships that include play on their respective nights each week for up to 20 days of play.

Our goal is to foster a supportive and prosperous membership experience where those who play more contribute fairly, without penalizing the majority. With these thoughtful adjustments, we believe we are providing the fairest and most valuable membership structure for all.

As a valued member, you enjoy a variety of exclusive perks designed to enhance your experience. Here's a quick overview of the benefits that every category can take advantage of:

**Shared Power Cart:** Access to a power cart equipped with GPS for your convenience.

**Preferred Guest Rate:** Special rates for up to three guests per day.

**Merchandise Discount:** Exclusive discounts on shop merchandise.

**House Account:** Convenient charging privileges for your purchases.

**Gratis Play:** Complimentary play for your spouse or minor children and grandchildren after 5 PM.

These benefits aim to provide you with an enjoyable and rewarding experience every time you visit!
