- Individuals may only be on **one waitlist at a time**.

Membership Offer Process

Current members will have until December 1st of the calendar year to secure their membership for the upcoming season by way of deposit. After December 1st, any available positions will be offered to the waitlist in listed order.

- When a membership becomes available:
 - The next person on the relevant waitlist will be contacted.
 - They will have **3 calendar days** to accept or decline the offer.
 - If accepted, the seasonal deposit is required as per the payment schedule and the \$300 deposit is applied to the membership fee.
- If declined, the individual must choose one of the following options:
 - **Remain on the waitlist** for the next season (deposit retained).
 - **Apply the deposit to a Game Pack** (forfeits waitlist position and future membership interest).

Game Pack Option

- Individuals who decline a membership offer may apply their waitlist deposit toward a **Game Pack**.
- Choosing this option **removes them from the waitlist permanently**.
- Rejoining the waitlist in the future would require a **new deposit** in amount published at that time.
